# 100% GRASS-FED BEEF

All of our beef is provided by Arrowpoint Cattle company located 9 miles south in Nathrop. Arrowpoint produces Scottish Highland Cattle, a heritage breed, which is suited for Colorado high altitude living. These cattle are hormone and antibiotic free and are 100% grass-fed on a 500 acre ranch. Our pecan-wood fired grill reaches in excess of 1000 degrees and is a perfect compliment to the grass-fed beef, the pecan imparts a slightly sweet, nutty flavor and keeps even the leanest of meats juicy.
